Subject: Implementing an assistive technology pilot across older people's services

Staff Contact: Helen Maneuf

Executive Member: **Colette Wyatt-Lowe**

Tel: 01438 845502 (Comnet 55502)

Portfolio: Adult Care and Health

1. Decision ²

To award Cascade3d a contract for circa £100,000.00 to work with the authority and its key partners to pilot new digital assistive technology solutions as an integral part of a selected individual's care plan and, after a period of time, evaluate its effectiveness to inform a future County-wide Assistive Technology procurement.

2. Reasons for the decision ³

A quotes tender process has been conducted and Cascade3d were considered (by the multi-stakeholder tender panel) to be the best tenderer. This is in accordance with HCC's Assistive Technology Strategy agreed by Members in June 2017.

3. Alternative options considered and rejected ⁴

No alternative options were considered as a quotes tender process was conducted to ascertain the best placed provider to work with HCC and its partners over implementing this pilot. There are a number of smaller pilots (along the same themes but focusing on different care needs) being planned and these will be awarded to alternative providers via a direct award (single tender action).
