## CARER IDENTIFICATION AND PROFESSIONAL REFERRAL FORM

Carers in Hertfordshire is countywide providing carers with information and advice on caring, support services, training sessions and workshops, newsletters and the opportunity to influence service providers. Carers in Hertfordshire services are free of charge, please feel free to telephone our Carer Support Advisors on 01992 586969 for advice and support

Carers are important partners in patient care, but caring takes its toll and can have an impact on the carer's own health. If a carer's health suffers, patients suffer too. This is avoidable, with the right support.

Carer's details will be added to Carers in Herts database. We will not share this information with anyone else without carer's permission.  Would carer like Carers in Herts to inform their GP of their caring role enabling them to access health checks, flu vaccines and appointments that meet their caring needs?
